Prudential Day One 2015 Fund	Investment Objective & Strategy
	The fund seeks a balance between growth and conservation of capital. It is a multi-asset class portfolio that becomes more conservatively invested over time and may be suited to investors who expect to retire around 2015. The fund is a member of the Prudential Day One Funds (the Funds), a series of target date funds. The investment objective of the Fund is to perform consistent with its custom blended benchmark over a full market cycle.
Fund Investment Expense as of 10/31/2023	Risk and Return Profile
Gross: 0.01% Net: 0.01%	This investment option may be most appropriate for someone willing to take some risk to achieve higher potential returns but also seeking income as a secondary objective. The investor may be in or approaching retirement or may prefer to take less risk than other investors. Investors choosing this option want to invest in a mixture of diverse investments suiting their needs but may not have the time, desire, or knowledge to select and manage their own portfolios. The date in a target date fund's name represents an approximate date when an investor is expected to retire (which is assumed to be at age 65) and/or begins withdrawing money. The principal value of the funds is not guaranteed at any time, including the target date. Asset allocation and balanced investment options and models are subject to the risks of the underlying funds, which can be a mix of stocks/stock funds and bonds/bond funds.

Investing involves risk, including possible loss of principal.

If you do not direct the investment of your account, your account will be invested in a Plan QDIA designated by the Plan Administrator or other Plan investment fiduciary.

Participant accounts are directed into a Plan QDIA designated by the Plan investment fiduciary based on information reflected in the Plan's records at the time of default, including but not limited to the normal retirement age specified in the Plan, a participant's date of birth and certain risk profiles, as applicable. You should contact the Plan Administrator or other responsible Plan fiduciary to make sure the indicative information for your account, including your date of birth, is accurately reflected in the Plan's records.

In the event your account information changes (e.g., the Plan is provided with an updated date of birth), the Plan fiduciary may direct the investment of your future contributions into a different Plan QDIA based on the updated information. Please note that your existing account balance will remain invested in the QDIA designated by the Plan fiduciary at the time of the initial default unless and until you provide investment direction for your account, or as instructed by the Plan fiduciary.

Should you have further questions regarding the Plan fiduciary's QDIA investment fund selection, please contact your Plan Administrator.

More detailed information about the investment funds may be available in the fund fact sheet, prospectus, and/or other applicable disclosure document, which you can get by logging onto the Plan web site. In addition, you can find out more about the Plan in other documents, including the Plan's Summary Plan Description (SPD) and any Summary of Material Modifications (SMM).

You can change how your Plan account is invested, among the Plan's offered investment funds, by either:

- logging onto the web site empowermyretirement.com and following the online instructions, or
- by accessing your account using the automated phone system 1-833-961-5273.

To learn more about the Plan's investment funds and procedures for changing how your Plan account is invested you can call 1-833-961-5273 or visit empowermyretirement.com. Also, you can contact your Plan Administrator.

Carefully consider the investment option's objectives, risks, fees and expenses. Contact Empower for a prospectus, summary prospectus for SEC-registered products or disclosure document for unregistered products, if available, containing this information. For prospectuses related to investments in your self-directed brokerage account (SDBA), contact your SDBA provider. Read them carefully before investing.

If a money market fund is included in your plan's lineup, you could lose money by investing in a money market fund. Although the fund seeks to preserve the value of your investment at \$1 per share, it cannot guarantee it will do so. An investment in the fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The fund's sponsor has no legal obligation to provide financial support to the fund, and you should not expect that the sponsor will provide financial support to the fund at any time.
